# CARE PURE

Intensive skin care cream with natural oils and sallow-thorn essence for extremely stressed and dry skin

- O/W Emulsion
- balances moisture and lipid loss
- without preservatives\*
- without mineral oil
- silicone-free
- fragrance-free
- ECARF-certified

\*as per annex of the EU Cosmetics Directive

## PRODUCT PROPERTIES / APPLICATION AREA:

The ECARF-certified oil-in-water emulsion contains a combination of natural oils which balance moisture and lipid loss of stressed skin. Sallow-thorn reduces redness and in combination with tocopherol, it provides a sufficient potential for antioxidation. Therefore, the skin is effectively protected from environmental stresses. The combination of triglycerides taken from the olus oil, rice germ oil, sunflower oil and shea butter provides a film-forming emulsion on the skin. Therefore, the skin remains smooth and nourished, even when being exposed.

In order to prevent the very high transepidermal water loss which often occurs when the skin is stressed, CARE PURE contains essential fatty acids. In the present concentration, linoleic acid provides a good water balance in the upper skin layer.

Just when the stratum corneum is optimally supplied with water, it remains elastic and additionally provides an improved mechanic resistance capability. CARE PURE is free from fragrances and preservatives\* and is also suitable for the food industry.

## APPLICATION:

Apply CARE PURE carefully on the clean and dry skin. Rub in the cream evenly, paying particular attention to vulnerable areas such as between the fingers and around the nails.

## PRODUCT DESCRIPTION:

Light beige cream based on an oil-in-water emulsion. Free from synthetic fragrances, colorants and preservatives\*. Without mineral oil and silicone.

## TEST SUMMARY:

A test summary is available on request.

## DERMATOLOGICAL COMPATIBILITY:

CARE PURE's dermatological compatibility has been carefully tested and proven. A printed certificate is available.

## PRODUCT QUALITY:

The product is manufactured according to GMP (GOOD MANUFACTURING PRACTICE) requirements. The bacteria count is microbiologically tested on a regular basis and is under 100 bacteria per gram.

## FIRST AID:

If CARE PURE accidentally gets into your eyes, rinse immediately with plenty of lukewarm water. If a burning sensation still persists, consult an eye doctor as measure of precaution.

## STORAGE INSTRUCTIONS:

CARE PURE will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube.

# CARE PURE

Intensive skin care cream with natural oils and sallow-thorn essence  
for extremely stressed and dry skin

## ORDERING DATA:

50 ml Tube:  
BSW No. 13810004  
12 x 50 ml Tube = 1 PU<sup>1)</sup>

20 ml Tube:  
BSW No. 13810002  
50 x 20 ml Tube = 1 PU<sup>1)</sup>

1) PU = packaging unit

## STATUTORY REGULATIONS:

CARE PURE is subject to the EC Cosmetics Directive, but not to the German Chemicals Act or the Hazardous Substances Order. Moreover, skin protection products are received as part of the Personal Protective Equipment (PPE).

## ENVIRONMENT:

All tubes are made of polyethylene and after being completely emptied, they can be disposed of with other polyethylene waste. Packaging is labeled accordingly.

## COMPOSITION ACCORDING TO INCI\*:

AQUA, ALCOHOL DENAT., HELIANTHUS ANNUUS HYBRID OIL, COCO-CAPRYLATE/CAPRATE, GLYCERIN, OLUZ OIL, ORYZA SATIVA BRAN OIL, GLYCERYL STEARATE, CETEARYL ALCOHOL, CETEARYL GLUCOSIDE, BUTYROSPERMUM PARKII BUTTER, TOCOPHEROL, SODIUM STEAROYL GLUTAMATE, ELAEIS GUINEENSIS OIL, XANTHAN GUM, GLYCERYL LINOLEATE, GLYCERYL LINOLENATE, CITRIC ACID, HIPPOPHAE RHAMNOIDES FRUIT EXTRACT, ROSMARINUS OFFICINALIS EXTRACT.
